***Creating Access and Inclusion in Worship***

## **Call for Inclusion Representatives**

Since 1996 Pathways Awareness has assisted congregations to include persons with disabilities in worship, ministry, fellowship, and study by providing information and educational materials about inclusion in worship. To further the *Open Hearts, Open Minds, Open Doors* effort, congregations can appoint an Inclusion Representative to coordinate inclusion activities for their worshipping community.

A congregant or staff person who has shown an interest in working to include persons with disabilities, an individual who has a disability, or a relative or friend of a person with a disability would make a good Inclusion Representative. If your congregation is already inclusive and accessible we need your Representative to share your expertise with other congregations.

Materials and activities will be provided by Pathways Awareness to promote inclusion in worship via our website, [www.inclusioninworship.org](http://www.inclusioninworship.org). Additional materials will be emailed directly to Inclusion Representatives.

Your congregation is invited to participate in this exciting movement. Please consult with your pastor and fax the name of your congregation's Inclusion Representative to Joanne Meyer at 1-708-922-9458. Thank you.
